

# Empowering Equity Academy

APPLY  
HERE

We want to improve the European Investment landscape and offer real, tangible opportunities to women in STEM & Sustainability areas

## What we offer

### Real world learning

We offer a free and specialised course in how Europe's private equity markets work

### Flexible programme

Learn online during live sessions with EIF experts and engage onsite

### Networking & career opportunities

We provide a platform for career networking with some of the best fund managers in Europe

## 40 spots available

Masters Students, PhD candidates & young graduates from European Universities

STEM and sustainability related academic background with interest in the financial sectors

## Next edition

**Online:** 7 - 11 September 2026 | half days

**On-site:** 16 - 22 September 2026 | Luxembourg

## Find out more
